Bancroft Volunteer Fire Dept. It is so great that it is in our community.

These guys train hard and they run to what everybody else is running away from to fight fires and go to other emergencies. They are heroes. They put others before themselves. Remember they do this voluntarily.

- Keep lit candles away from decorations and other things that can burn.
- Use clips, not nails, to hang lights so the cords do not get damaged.
- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Stay in the kitchen when cooking on the stovetop.
- Some lights are only for indoor or outdoor use, but not both.
