Mayor Donna McKneely called the special meeting to order at 7:00 pm.

Mayor Donna McKneely then proceeded to read the title and preface of the Dilapidated and Abandoned Ordinance as the first reading.

This special meeting is for the first reading of the Dilapidated and Abandoned Ordinance, which is an existing ordinance in Putnam County. The council wishes to adopt this ordinance into Bancroft's Ordinance book to deal with dilapidated and abandoned property within the town limits. Putnam County Commission already has an enforcement agency that covers the county on this issue, except for all incorporated areas.

Special meeting then adjourned at 7:05.
