

On October 19, at 7:00 p.m. there was not a quorum, with Mayor Jami Hayes, Recorder Ashley Hackett, Councilpersons Thomas Frame and Donna McNeely (phone) in attendance. A town resident attended for approach following the regular council meeting, so we heard him. He brought information to install a house trailer on a lot he purchased and cleaned off located on Showen's Hill. The trailer is aesthetically pleasing, and Kelly Caldwell was advised to proceed with application to Putnam County Planning Commission. He followed up with the Mayor on November 13, with paperwork from the county authorities and Mayor Jami Hayes signed and dated it.
