THE 1955 FLOOD;

This is Charley Cook's house in the flood of 1955. His floor was just six inches out of the water at its crest. In the gondola, playing Venice are Leroy workman's sister-in-law, Leona Sutherland, Sheridan Farley and Gary Dailey.

Peg Dailey remembers her paper boy Neely Arthur delivering her paper in a boat that day. She said the water was up to the porch on Jimmy Nelsons house. I bet every kid in town was in a John Boat.
